FOOTBALL LEAGUE DIVISION ONE

Bolton Wanderers

FRIDAY, 21st DECEMBER, 1979. KICK-OFF 7.30 p.m.

The Season's Greetings

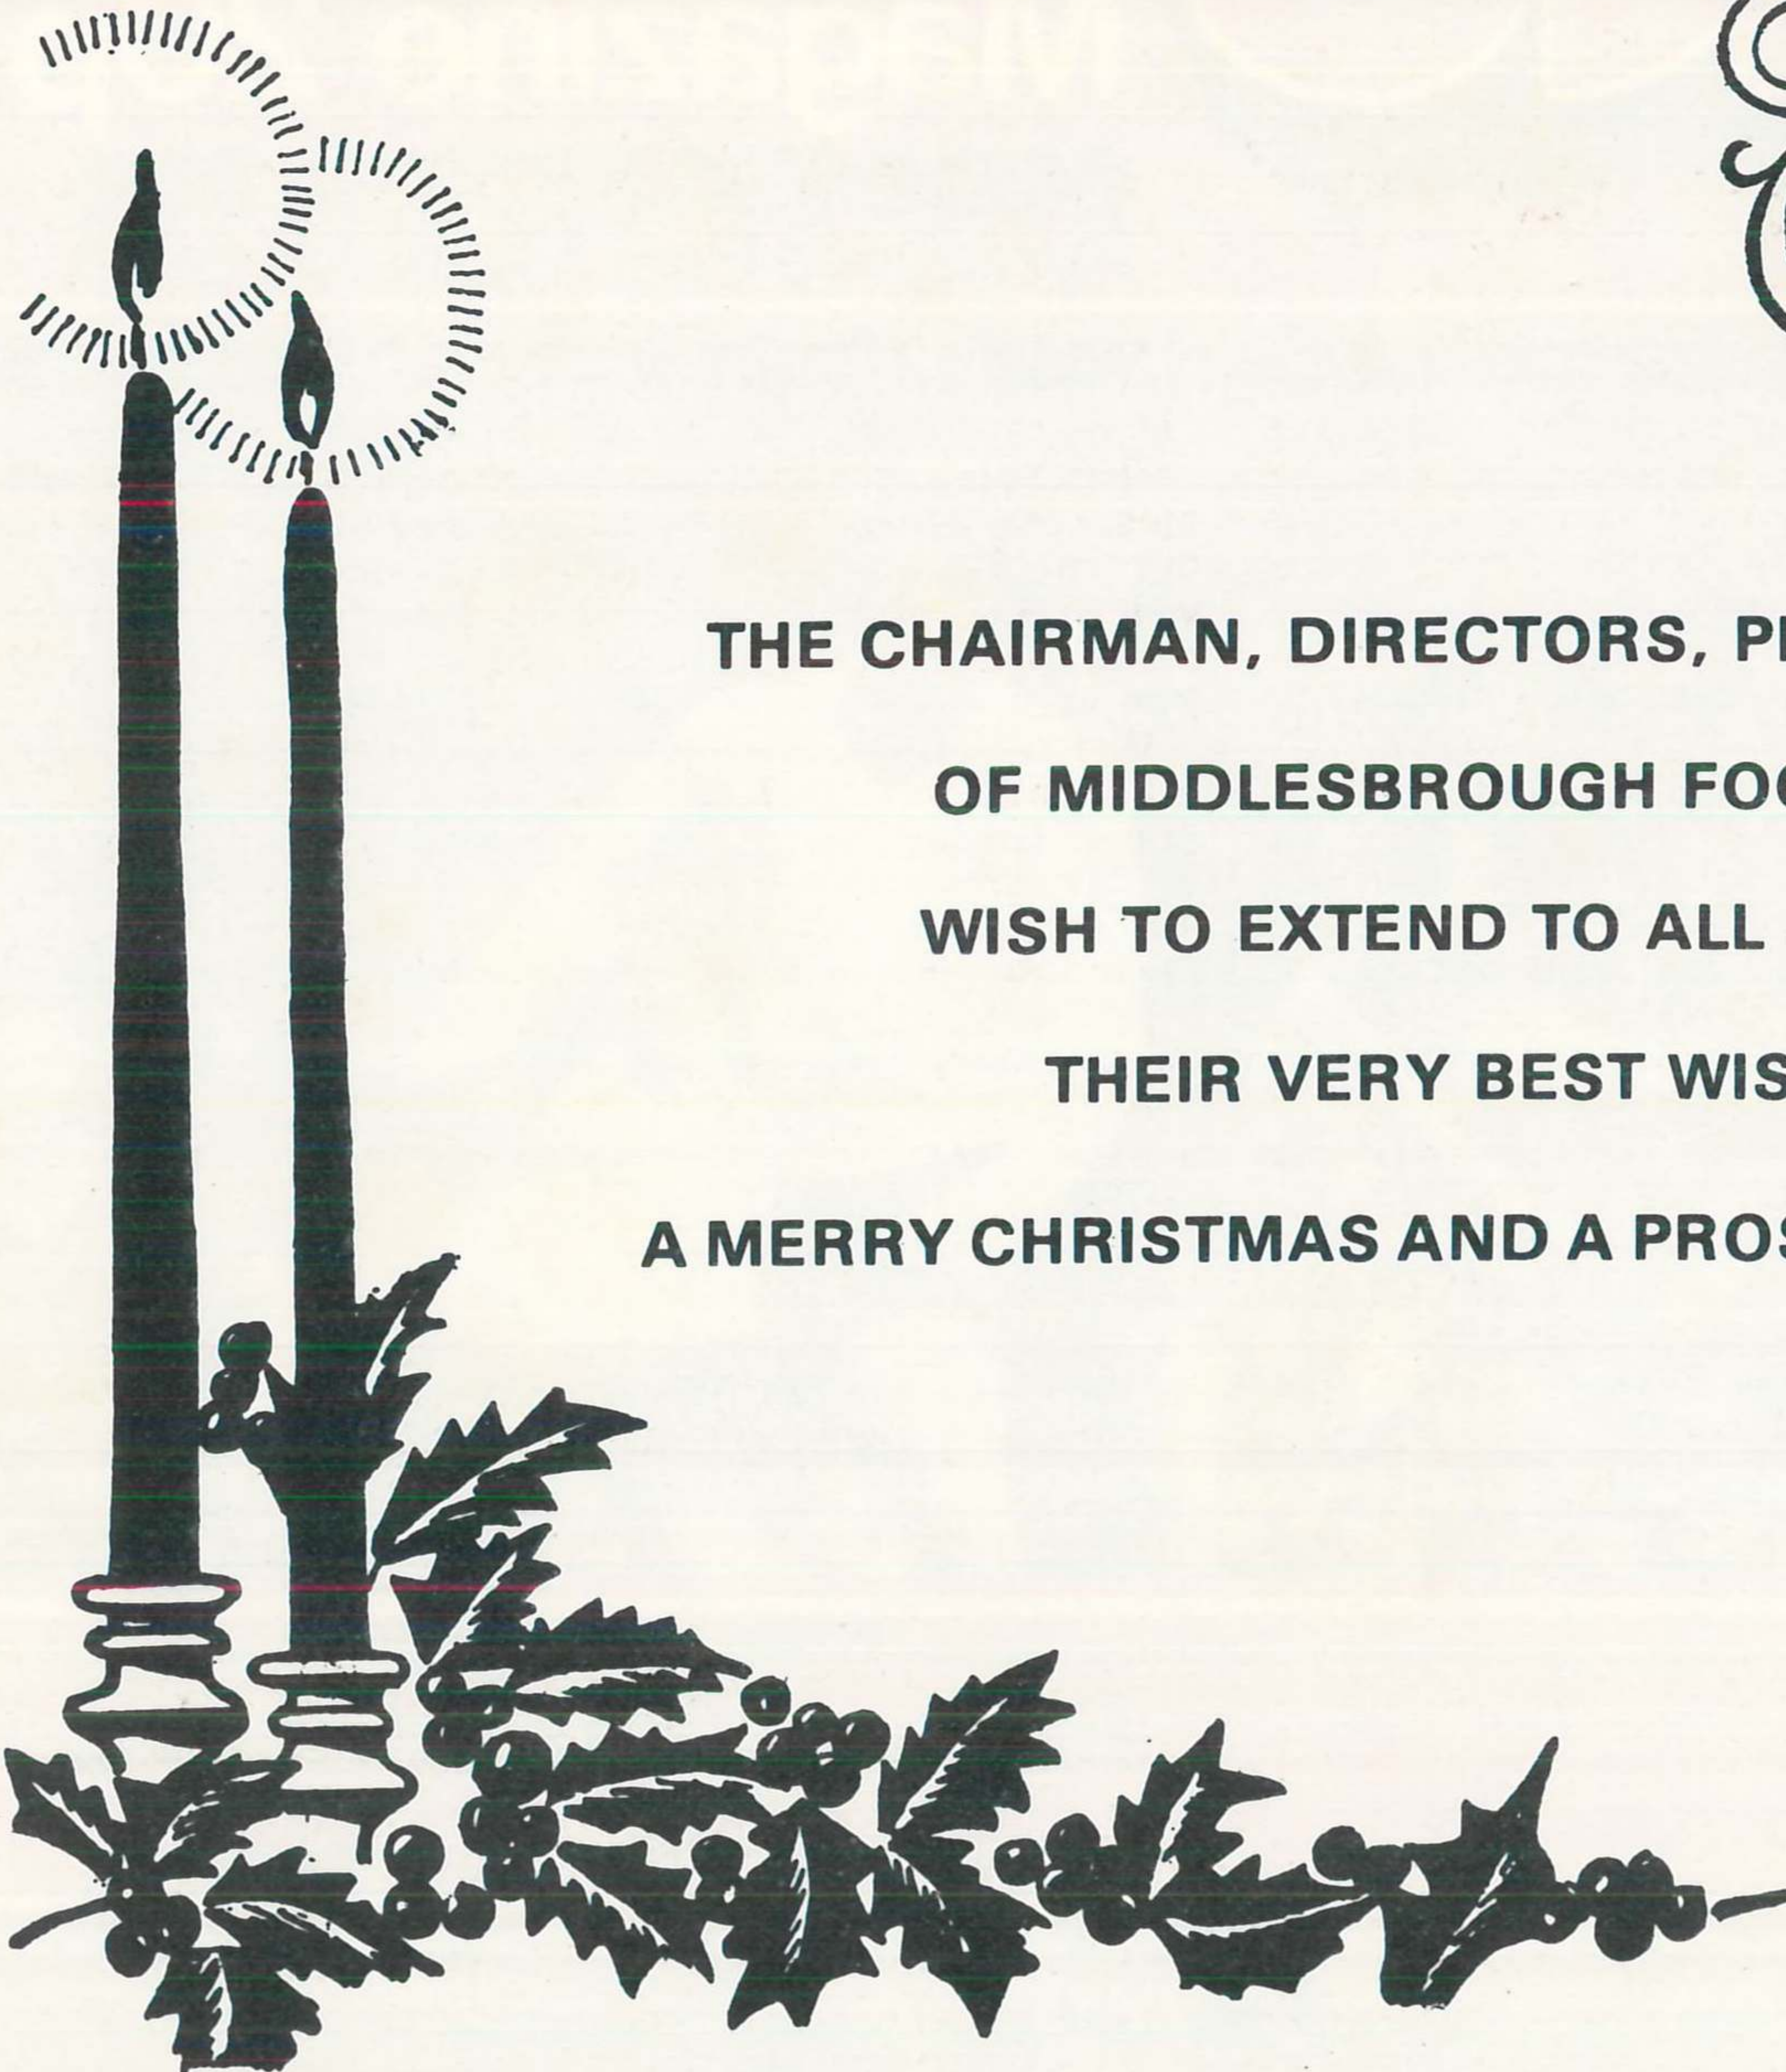

THE CHAIRMAN, DIRECTORS, PLAYERS AND STAFF

OF MIDDLESBROUGH FOOTBALL CLUB

WISH TO EXTEND TO ALL SUPPORTERS

THEIR VERY BEST WISHES FOR

A MERRY CHRISTMAS AND A PROSPEROUS NEW YEAR.

John Neal

Christmas is only four days away and this Programme gives me the opportunity to wish all our loyal supporters a 'VERY HAPPY CHRISTMAS AND A PROSPEROUS NEW YEAR'. Of course I am speaking not only on my own behalf but from everybody at Ayresome Park, Directors, Players and Staff. Football over the years is always popular over the holiday period. Not so long ago local Derbies were the 'in thing' for Christmas Day and Boxing Day. Now I'm pleased to say that at last we hope to be able to spend some little time with our families on the festive occasion. However, it is only a short time, for football being what it is, demands top concentration and application, even at Christmas Time. The spirit of good will does not extend on to the playing pitch and at all times precious points are the ultimate prize and prime objective.

Our programme over the holiday period is worth looking at. Spare a thought for the lads. Christmas Eve, normal training — now here is the crunch — Christmas Day, normal training 10.30 a.m., then between 5 p.m. and 6.30 p.m. the team will report to a local hotel to stay together overnight in preparation for the Leeds United game on Boxing Day.

On Thursday, 27th December the lads have a well earned day off. On Friday, 28th December report for training 11 a.m. then off by Coach to London for the game at Selhurst Park on the Saturday. Immediately after the game at Palace we board the Coach for Coventry where we stay, Sunday, Monday (New Years Eve) in order to play on New Years Day.

Today we welcome Bolton Wanderers, managed by Ian Greaves, a side that obviously has had a few problems this term. I know for sure they will come here full of fight and will not surrender one yard of territory without a battle.

These are vital home points as far as I'm concerned and I most certainly do not want any complacency creeping into our play. Equally so Bolton will want something from their visit to Ayresome Park. The scene is set for an interesting game and I'm hopeful of gaining the maximum reward from it.

Welcome back to two familiar faces in the Bolton Camp. Stan Anderson, ex Boro Manager is now the right hand man of Ian Greaves. Stan relinquished his job as Manager at Doncaster Rovers to join his old friend the Bolton Manager. The second ex Boroite is Jimmy Headrige, our ex Physiotherapist who left us a couple of years ago to take up a job in the Middle East. Jimmy has now returned and works alongside Stan, his old boss with Ian Greaves.

We wish these two former Boro personalities the best of luck and a Merry Christmas after 4.40 p.m. today.

Our VISITORS

JIM McDONAGH (Goalkeeper)

Jim must be the bargain of the decade, signing for the club for a £10,000 fee three seasons ago after a month on loan. Six feet tall, he matches his height with ability and has proved to be a very consistent keeper.

TERRY POOLE (Goalkeeper)

Signed from Huddersfield Town three years ago for a £25,000 fee, Terry has found his opportunities strictly limited by the good form of Jim McDonagh. Before the start of the present season he had made just one first team appearance in the League Cup at Exeter in 1978.

DAVID BURKE (Defender)

David emerged onto the first team scene at the start of last season. From Winsford, Cheshire he made his senior debut against Chelsea in the League Cup. Can play at full back or in midfield and is a very exciting prospect.

DAVE CLEMENT (Defender)

England international full-back signed from Queens Park Rangers for a £150,000 fee during the close season. He is a very experienced player who will add stability to the Wanderers' back line and enjoys joining in attacks as well.

PETER NICHOLSON (Defender)

Signed for the Wanderers from Blackpool for a small fee prior to the 1971-72 season and has proved to be a fantastic bargain. He can play anywhere in defence and adapted in fine style to the demands of the First Division last season.

ROY GREAVES (Midfield)

The Wanderers' longest-serving player. Born in Farnworth, near Bolton, he has a well-earned reputation for being a non-stop worker who likes to be involved all the time.

PAUL JONES (Defender)

Paul is a tall, quick tackling defender who has been a member of the Under-23 and full England squads. He is a commanding player in the air as well as on the ground and has a habit of scoring vital goals. Can also play at full back with distinction.

SAM ALLARDYCE (Defender)

A central defender born in the Midlands, Sam joined the Wanderers from school. Made his debut in 1975 and is another player who can score goals particularly with his head from set pieces. Had a spell out of the side last season after losing his place because of injury.

MIKE WALSH (Defender)

Manchester-born Mike joined the Wanderers from school. He earned a regular place in the side after being groomed for a couple of seasons and is equally proficient in the middle of the defence, at full back or in midfield.

NEIL McNAB (Midfield)

Joined the Wanderers from Spurs last season for a £250,000 fee. A willing worker he is a fine passer of the ball and enjoys himself in the thick of the action.

PETER REID (Midfield)

Joined Bolton from school on Merseyside. Was a regular member of the England Under-21 side which he also skippered. A very talented player who had the misfortune to sustain a severe knee injury which put him out of action for the second half of last season.

LEN CANTELLO (Midfield)

Len cost the Wanderers a record £350,000 fee when he was signed from West Bromwich Albion in the close season. He is the sort of midfield player who delights in stamping his authority on a game. Always looking for a chance to attack he is an exciting player with an eye for seeing an unexpected opening.

(Left to right)

FRONT ROW: David Burke, Brian Smith, Roy Greaves, Neil Whatmore, Peter Reid, Dave Clement.
MIDDLE ROW: Stan Anderson (Assistant Manager), Peter Nicholson, Jim McDonagh, Alan Gowling,
Terry Poole, Mike Graham, Jim Headrige (Physiotherapist), Ian Greaves (Manager).

BOLTON WANDERERS

JUNIOR REDS

I am sure that everyone who attended the special Christmas Party on December 12th had a thoroughly enjoyable evening. As Christmas is rapidly approaching I think that it is a good opportunity to look back at the activities over the previous months. Within the period of four months the membership of the Junior Reds Club for this season has risen to well over two hundred. I am certain that everybody has a favourite moment from our past meetings, whether it is the mastermind Quiz in which our Junior Reds Team managed to

scrape a win over the players, or the Grand Tour of Ayresome Park in November. There will be news in the next programme spot of our plans for Meetings in 1980 so do not miss it!

I am sure that everyone will want to join me in thanking all of the players and Officials of Middlesbrough Football Club for giving up their spare time to make our Meetings so enjoyable.

Since holding our Meetings at Ayresome Park our Membership has shown a marked increase. We are delighted at this because we feel we meet where the action is and the atmosphere is right. Our main objective is to provide Junior Supporters with an inside knowledge of what it is like behind the scenes.

When we had our Meetings in a Schoolroom there was something missing. That missing link has now been found. Our members are always well behaved and interested in what goes on. So much so that parents coming along for the first time manage to come back again and again. This proves to our committee that a need is being fulfilled.

Now an idea for anyone who has not managed to find a Christmas present for anybody who is under fourteen years of age. Why not enrol the youngster into the Junior Reds for only 20p. Membership is available from Mr. A. Brownlee, 97 Ruskin Avenue, Middlesbrough. I hope that all of our members enjoy a very Merry Christmas.

Bosco signs for the Junior Reds.

Welcome to Bolton Wanderers

by ALAN YEATS

Bolton returned to Division One in 1978 after an absence of fourteen years. During that time—this great traditional club suffered many heartaches while in exile. They spent two seasons in the Third Division—the only time this famous club has fallen to that level—and then in 1976 and 1977 they were robbed of promotion back to Division One by a solitary point each time.

Wanderers finished last season 6th from the bottom in the First Division table and this season they are having an unhappy time - currently languishing at the foot of the league.

Manager Ian Greaves has much experience in football, learning the grass roots as a Manchester United player. He went to Old Trafford in the early 'fifties' as a defender and made the breakthrough into the senior squad by virtue of the tragic Munich air crash of 1958 when the famous "Busby Boys" team was decimated. Ian Greaves established himself as the Manchester Utd. left back before moving on to Lincoln City and then Oldham. He moved on to coaching at Huddersfield before joining Bolton as assistant manager in 1974. Mr. Greaves was appointed manager a few weeks after joining — to succeed Jimmy Armfield.

Today, Ian Greaves brings his team to Ayresome Park, hoping at least, to emulate last seasons match which was drawn 1-1. The Bolton team will probably be—in goal—Jim McDonagh, six feet tall and very good when dealing with the high balls.

At full back we will have Sam Allardyce, a solid defender who has a habit of moving up-field to head in the odd goal. Partnering him will be utility man Peter Nicholson, the ex-Blackpool defender.

—England international, Paul Jones will be the central defender, aided by the evergreen Roy Greaves and Mike Walsh.

Wearing the number 7 jersey will be Scottish international, Willie Morgan who has spent the summer in North American football.

Defender, David Burke will probably be seen in the number 11 shirt today and the front runners will be from ex-Newcastle striker Alan Gowling, Neal Whatmore, Mike Carter or Len Cantello.

Focus on the Juniors & Reserves

WITH THE RESERVES

Tuesday, December 4th

v. Halifax Town Res. (H) 5-1

This proved to be a somewhat one-sided contest. After a first minute goal by Graeme Hedley, Halifax never really recovered their composure. The further the game progressed the more dominant our lads became. Further goals were added by Billy Woof (2), Mark Proctor (1), Peter Johnson (1).

Team: Stewart, Herbert, Johnson, P., Robinson, M, Ramage, Angus, Bell, A., Hedley, Woof, Shearer, Proctor.

Sub: McDonald.

Goalscorers: Woof (2), Hedley (1), Proctor (1), Johnson (1)

WITH THE JUNIORS

Since our last programme the Juniors have been without a fixture. Having won through to the next rounds of the F.A. Youth Cup and The Northern Intermediate League Cup this gap in their fixture list is only temporary.

The Northern Intermediate League Table is not to hand but it is reasonable to assume our boys must be somewhere near the top as they have yet to lose a league match.

A number of the boys perform regularly in the Reserves in midweek also and it is pleasing to see the progress they are making.

A tall well built youngster who is having a very successful season in goal for Boro Juniors.

Down the Years with the Boro

DOWN MEMORY LANE . . .

MIDDLESBROUGH v BOLTON WANDERERS

The first competitive games played against Bolton Wanderers, one of the original members of the Football League in 1888 was in 1899/1900 season — our first as a League Club. The Trotters won both games 3-0. Boro's best win over Bolton was recorded on 16th, October 1948 at Ayresome Park when we won 5-0.

MIDDLESBROUGH: Rolando, Ugolini, Dick Robinson, George Hardwick, Harry Bell, Bill Whitaker, Jimmy Gordon, Martin Reagan, Johnny Spuhler, Micky Fenton, Tom Blenkinsopp, Geoff Walker.

BOLTON WANDERERS: Hanson, Roberts, Banks, Howe, Gillies, Barrass, Woodward, Vernon, Moir, Bradley, Rothwell.

Referee: J. S. Pickles. Attendance: 35,000.

The immediate post-war years were boom years for all League Clubs and Middlesbrough benefitted from crowds of over 30,000 for almost all the 42 games. TOM BLENKINSOPP, the versatile Middlesbrough player, was playing in his third game at inside-left (having started the season at right-back, then played nine games at left-half and into the inside-left berth).

Micky Fenton opened the scoring after only four minutes, and Johnny Spuhler added a second three minutes later. Six minutes before the half-time whistle Micky Fenton beat Stan Hanson in the Wanderers' goal to register the third goal. Speedy Martin Regan, playing in his first game of the season, scored the fourth early into the second half and Micky Fenton completed the scoring, securing his hat-trick just five minutes from full time. We moved up one place in the First Division to 16th position with 12 points. We had played six home games, winning 3, drawing 2 and losing 2-4 to Charlton Athletic. Our away form had let us down, with one win and one draw from seven games, scoring four goals but conceding 12.

Middlesbrough recorded the double over Bolton in seasons 1936/37, 1947/48, 1949/50, 1970/71, whilst Bolton's doubles occurred in seasons 1899/1900, 1919/20, 1923/24, 1937/38, 1938/39, 1952/53, 1967/68. Boro have won at Burnden Park on 7th Nov, 1936 (2-1), 18th November, 1950 (2-0), and 13th February, 1971 (3-0). Bolton have won twelve matches at Ayresome Park scoring 51 goals in the process.

Players who have played for both clubs during their League careers are Johnny McKay, Harold Blackmore, Kenny Cameron, Norman Higham, Tom Butler, Tom Griffiths, and Jimmy McClelland.

PETROL

KNOW THE LAWS

By *Pat Partridge*
WORLD CUP REFEREE

QUESTION:

As the referee is cautioning (not booking) No. 8 for ungentlemanly conduct the player picks up the ball and kicks it away — what action should the referee take?

ANSWER:

Under the described incident the referee would have no option other than to send off the player concerned from the field of play.

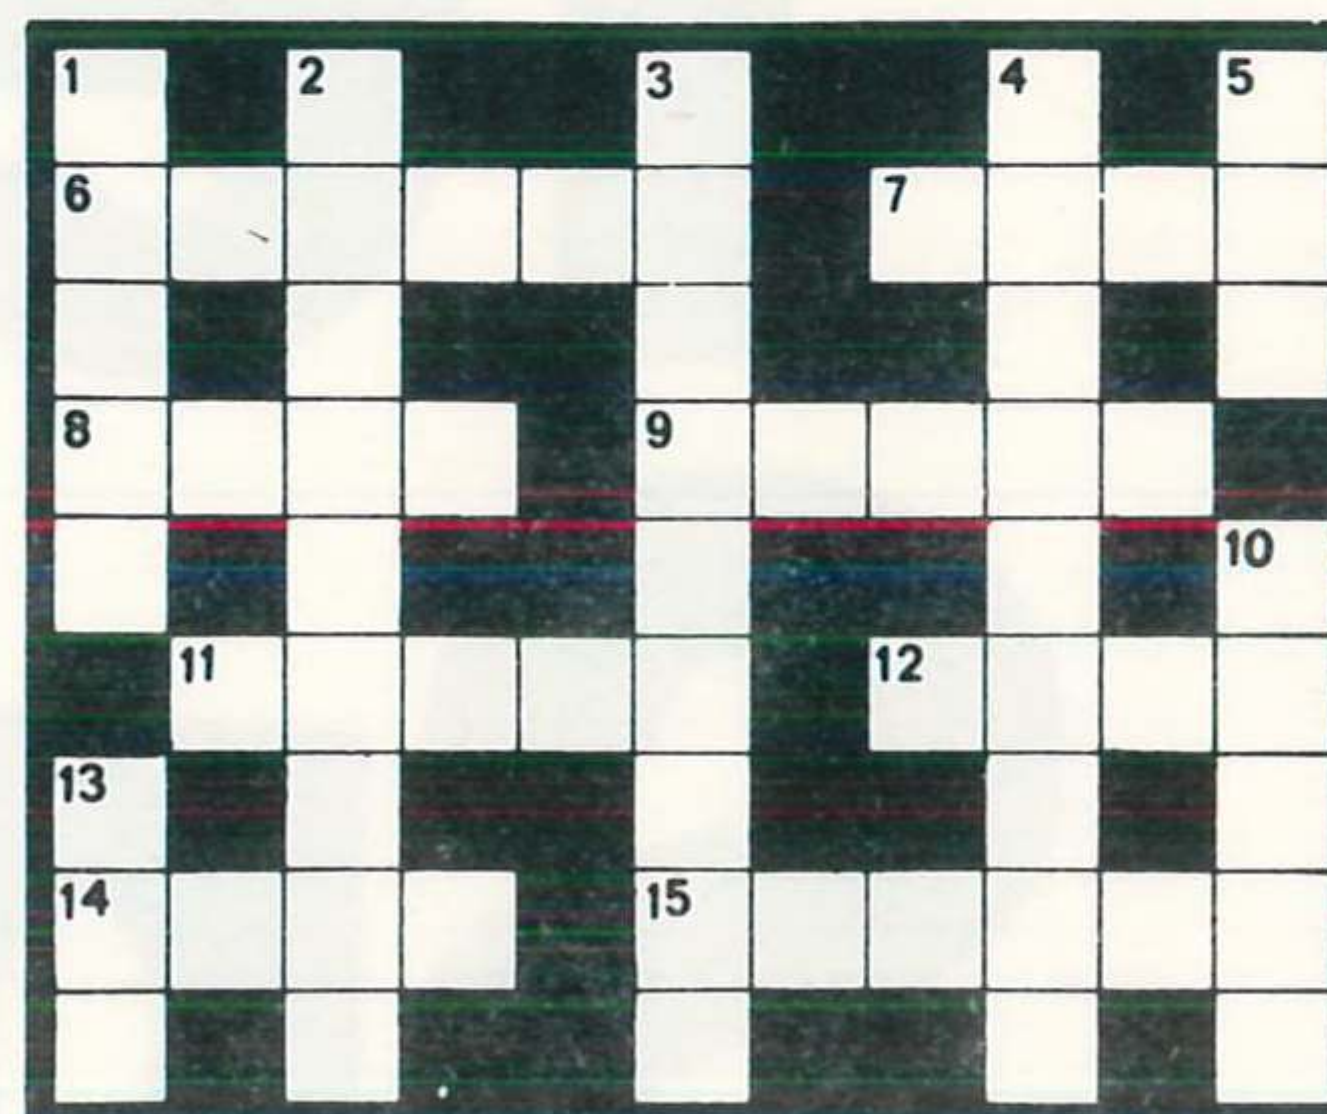

The action of kicking the ball away is dissent and Law 12 states: "A player shall be cautioned if: (1) he shows by word or action, dissent from any decision given by the referee;"

However, a player cannot be cautioned twice. The Law (12) states:

"A player shall be sent off the field of play if:

- (n) in the opinion of the referee he is guilty, of violent conduct or serious foul play.*
- (o) he uses foul or abusive language.*
- (p) he persists in misconduct after having received a caution".*

STAR PLAYER

BILLY ASHCROFT

Liverpool born, 6ft. tall — Billy was signed from Wrexham in August, 1977 for a fee of £135,000. He came to Ayresome Park as a striker and his ability in the air, and his unselfish attitude enabled his colleagues to score many goals.

Early this season, Mr. Neal played Billy in the middle of the defence, and there he has remained, a tower of strength—a revelation, ask any striker in the First Division! Bill is married to Pamela—his hobbies include playing golf and the guitar, and listening to Wings, E.L.O. and Roxy Music. His biggest thrill in football so far, was when he played for Wrexham in the European Cup—his ambition is to win trophies with Middlesbrough.
